

ABHIRAM CHERUVUPALLY

+91-8919296478 | abhiramcheruvupally@gmail.com | Hyderabad, Telangana, India

PROFESSIONAL SUMMARY

Results-driven Computer Science & Machine Learning undergraduate (3rd Year, CGPA: 7.91) with strong hands-on expertise in Python, SQL, JavaScript, and jQuery for data-driven application development. Demonstrated ability to build privacy-risk detection systems and AR-based navigation prototypes. Currently gaining industry exposure through the ServiceNow University Virtual Internship. Eager to contribute to innovation-led teams at top-tier technology organizations.

TECHNICAL SKILLS

- ▶ **Languages:** Python, SQL, MySQL, JavaScript, jQuery
- ▶ **Frontend:** HTML5, CSS3, JavaScript (ES6+), jQuery, DOM Manipulation, AJAX
- ▶ **Domains:** Data Analysis, Android Permissions Analysis, AR/QR Systems, Web Interfaces, Machine Learning
- ▶ **Tools & Platforms:** HackerRank, IBM Developer Skill Network, Cisco NetAcad, Visualization Dashboards
- ▶ **Soft Skills:** Analytical Thinking, Problem Solving, Research Orientation, Collaboration

EXPERIENCE

Virtual Intern — ServiceNow Platform | *ServiceNow University*

Ongoing

- ▶ Gained hands-on experience navigating and configuring ServiceNow instances within a structured virtual internship environment.
- ▶ Worked with ServiceNow automation workflows, including Flow Designer and business rules, to streamline IT service management processes.
- ▶ Practiced record handling across core tables (Incident, Problem, Change, Request) by creating, updating, and resolving records within the platform.
- ▶ Explored Service Catalog, Knowledge Management, and reporting dashboards as part of structured learning modules.
- ▶ Completed the ServiceNow Micro-Certification — Welcome to ServiceNow, validating foundational platform knowledge.

PROJECTS

Data-Driven Privacy Risk Detection System for Android Applications —

- ▶ Engineered a Python-based analytical system to evaluate Android application permissions and identify potential privacy vulnerabilities.
- ▶ Designed data leakage pattern detection algorithms, enabling automated risk classification across multiple permission categories.
- ▶ Built interactive dashboards with jQuery-enhanced UI to visualize privacy risk levels for non-technical stakeholders.
- ▶ Runner-Up at Mindsprint 2K25 — National-level Privacy Analysis Dashboard competition.

AR-Based Indoor Navigation System — MLRIT College Blocks —

- ▶ Conceptualized and designed an Augmented Reality indoor navigation solution tailored for a multi-block college campus environment.
- ▶ Implemented QR-code-based location detection as anchor points, enabling real-time directional guidance without GPS dependency.
- ▶ Developed a companion web interface using HTML, CSS, JavaScript, and jQuery for system monitoring and configuration.
- ▶ Produced system architecture documentation outlining scalability pathways for campus-wide deployment.

CERTIFICATIONS

- ▶ **SQL & Relational Databases 101** · IBM Cognitive Class — Relational DB Design, Complex Joins, Aggregations, Subqueries & Enterprise Data Management; Issued Sep 28, 2025
- ▶ **Power BI for Beginners** · Microsoft — Interactive Dashboard Design, Data Modeling, DAX Expressions & Business Intelligence Reporting; Issued May 26, 2026
- ▶ **ServiceNow Certified System Administrator (CSA)** · ServiceNow — Industry-recognized credential covering Instance Configuration, ITSM Workflow Automation, Record Handling & Service Catalog Management; Issued May 16, 2026
- ▶ **GenAI Powered Data Analytics Job Simulation** · TATA / Forage — Applied EDA & Risk Profiling, AI-driven Delinquency Prediction, Business Data Storytelling & Collections Strategy Implementation; Issued May 22, 2026

ACHIEVEMENTS

- ▶ Runner-Up, Mindsprint 2K25 — Privacy Analysis Dashboard Project (National-level inter-college competition).

EDUCATION

B.Tech — Computer Science & Machine Learning (CSM) | *MLR Institute of Technology, Hyderabad*

Current CGPA: 7.91 · 3rd Year

Intermediate (MPC) | *Sri Chaitanya College — State Board*

Percentage: 85%

SSC | *Sri Chaitanya School*

Grade: 10.0 / 10.0 (Perfect Score)
